

Newman International Academy of Arlington

A Note from Mrs. Blakeslee

I hope you all enjoy your Spring Break! Stay safe, get some rest, have fun and recharge. When we get back it is a quick dash to the end of the year! We are looking forward to our last quarter as we are able to begin hosting more gatherings. With CoVid protocols in place, we look forward to Field Day, POWWOWs, a GT and Art Expo, Book Fair and a Talent show! We love our Newman Warriors and look forward to celebrating them as this school year comes to a close!

Pick Up Line

Please show courtesy to our neighbors by not blocking or using driveways, staying in the car line and following the guidance of our staff who are there to help direct. Newman Warriors show respect in all areas, and that includes in the way we operate our car line.

Social Media Safety

Safety on Social Media can be a difficult topic to help students understand. As Social Media becomes more integrated into the lives of our students, we want to do all we can to protect them.

1. Know what social media platforms your child is using.
2. Follow their profiles or scroll through their newsfeed occasionally to see who they are connected to.
3. Students should only follow people they know and should only let people they know follow them. If an unfamiliar handle tries to follow them, they should not allow them to do so.
4. Check your child's privacy settings. Select the most private option, so none of their posts or personal information is visible to the general public.

Important Dates

March 15-19	Spring Break!
March 25	Report Cards
March 26	Fashion Friday \$3/Birthday Friday
April 2	No School - Good Friday

CoVid Travel Guidelines

If you are planning to leave the country during Spring Break, please note that ten (10) days of quarantine are required for all travelers entering the USA from another country. You can test as early as the 3rd day of your quarantine and if negative return to work/school after seven days of quarantine. If you received the COVID-19 vaccine, no quarantine is required if your travel is within 90 days of the vaccination.

Health Screenings

Parents of ONLINE Students, Vision, Hearing and Spinal screenings required by the state will be done in-person the week after Spring Break for all PK4, K, 1st, 3rd and 5th grade students. You can sign up for an appointment at this link.
<https://www.signupgenius.com/go/10c0c49aead2dabfbc70-hearing>

For more information, please see the attached letter from our Nurse, Mrs. Taylor.

In person students will also be screened after Spring Break.
